

## Achieving your goals STEP BY STEP

The project „Achieving your goals STEP BY STEP“ is an offer to coordinate your integration into life and work in Germany. This program includes a vocational German course, information on the conditions of the German labour market and German apprenticeship, a competency assessment to identify your personal and vocational competencies as well as support in gaining recognition of your professional qualifications.

A Creos coach is continuously your point of contact while being assisted with finding an employment including social insurance.

### Examples of our benefits:

The following contents are being offered during your participation:

- Vocational German course
- Information on the conditions of the German labour market and German apprenticeship
- Living and working in Germany
- Competency assessment to identify your vocational competencies
- Support with completing formalities
- Consultation and actual support with the entire application and arrangement process of employment
- Information on the obligation of visiting integration courses
- Support with organising child care

### + Coaching

Regular and specific coaching in order to support you in the best possible way in coping with everyday problems, personal and vocational profiling as well as with the completion of formalities. You get the chance to acquire knowledge and information that are tailored to your future social and vocational participation.

### + Internship (up to 6 weeks)

Our experienced job coaches intensively support you in finding an internship. During an internship you have the opportunity to test your knowledge and vocational skills in practice, to get acquainted with the conditions of the labour market and to recommend yourself for a permanent employment.

### Schedule

Monday to Friday from 09:00 to 12:00 hrs a.m.
